

CASE SPEAKER *for use with Envoy, Envoy Micro and Diplomat*

Case Speaker with built-in amplifier helps your ministry reach more listeners when using MegaVoice Envoy, Envoy Micro and Diplomat audio players. Stylish, CE-certified 1.5W Case Speaker has a soft exterior and protective internal shell. Unit is powered by 2 AA alkaline batteries (included). Comes with shoulder strap and Carabiner clip.

To increase audio levels, just plug Case Speaker connector cable into a MegaVoice player earbud jack. Turn the Case Speaker power on and use player to adjust the volume. For safe storage or transportation, slip player into soft net and zip the case closed.
