

# MEGAVOICE **DIPLOMAT**

**AM/FM/SW Radio & Audio Player**

**Message: up to 500 hours**

**Load *microSD* card with PC**

***Ideal for evangelism & discipleship***

## Sending Good News everywhere on the **MegaVoice Diplomat**

AM/FM/SW solar powered radio with digital audio player holds up to 500 hours of tamperproof audio: entire Bible, New Testament, sermons, teaching, humanitarian messages and more. Thousands of additional Scripture audio titles in thousands of languages are available at [megavoice.com/search](http://megavoice.com/search)

Load **Diplomat** *microSD* card using a PC, standard mini-USB cable and MegaVoice Stylus software. Load multiple players using a standard USB hub, or multiple SD card duplicator. Boost audio levels for larger groups with optional **Case Speaker**.
